

THE
CERAMIC TILES BOOK
II

Vanquish Edition
2021

Vanquish

There are no tools capable of any behavior change if the aftermath becomes average.

We went where we have never been before, designed and developed in the limits of technology, breaking down barriers and overcoming deadlocks.

We have failed many times but succeeded many more. The outcome of our endeavor is this book of discoveries, dreams and inspirations of new collections that will take your breath away.

In this singular year of 2020, we “Vanquish” in the middle of adversity.

Não existem ferramentas capazes de qualquer mudança de comportamento se o resultado se tornar mediano.

Fomos onde nunca estivemos, desenhámos e desenvolvemos nos limites da tecnologia, quebrámos barreiras e superámos impasses.

Fracassámos muitas vezes, mas vencemos muitas mais. O resultado do nosso esforço é um livro de descobertas, sonhos e inspirações de novas coleções que o vão arrebatam.

Neste ano particular de 2020, “Conquistamos” no meio da adversidade.

TERRA
INS·PIRATIONS

Terra is a masterpiece of Ceramic Tiles, inspired in our Planet Earth, its resources, and its natural elements as Earth, Water, Air, and Fire.

Each element is defined by singular surfaces representing its essence.

According to Ancient Civilizations, sometimes, there's a fifth element, like a quintessence, gathering all four creating a balance between them.

All five combined are what we have known as Mother Nature.

EARTH

WATER

AIR

FIRE

Terra é uma obra-prima da cerâmica, inspirada no Planeta Terra, nos recursos e nos seus elementos naturais como a Terra a Água o Ar e o Fogo.

Cada elemento é definido por superfícies únicas que representam a sua essência.

De acordo com civilizações antigas, por vezes existe um quinto elemento como uma quinta-essência, juntando todos os quatro criando equilíbrio entre eles.

Todos os cinco combinados, são o que conhecemos por Mãe Natureza.

With its unparalleled characteristics of oxidized effect blended with the original metallic luster, Metallik is presented in its original plate form, and, in a faithful recreation of the old industrial floors, so used in large metal structures.

Metallik é um grés porcelânico soberbo, é a interpretação cerâmica mais fiel de uma chapa de ferro, exposta aos elementos. Com as suas características inigualáveis do oxidado misturado com os brilhos metálicos originais, o Metallik é apresentado na sua forma original de chapa e na fiel recriação do antigo piso industrial, tão utilizado nas grandes estruturas metálicas.

BLADE INS·PIRATIONS

The “Blade Collection” is the pure translation of the metallic alloy from the sword blades dating back to the “Period of Spring and Autumn” (771 to 403 B.C.) that marked an era in the history of China.

This alloy is a mixture of tin with copper and resisted through time until was discovered in 1965 in the form of the “Sword of Goujian”, strangely, it has remained sharp to this day.

The Blade collection is presented in “Tin” and “Copper” colors, a fair tribute to the artisans of yore.

A coleção Blade, é a tradução pura da liga metálica constituinte das lâminas das espadas do “Período das Primaveras e Outonos” (771 a 403 A.D.) uma era que marcou história da China antiga.

Esta liga, uma mistura de estanho com cobre, resistiu ao tempo até ser descoberta em 1965 na forma de “Espada de Goujian”, estranhamente, manteve-se afiada até aos dias de hoje.

A coleção Blade é apresentada nas cores Tin e Copper, uma justa homenagem aos artesãos de outrora.

RAINFOREST INS·PIRATIONS

Inspired by the biodiversity of the Rainforest, this collection translates the nature in its pure state: untouched and yet to be discovered.

It was possible to reproduce every detail of wood using the latest digital technology, from lighter to darker tones with the advantage of a long-lasting and easy-to-maintain product.

We couldn't add yet the pure scent of wood... That, would be amazing.

Inspirada na biodiversidade da floresta tropical, esta coleção traduz a natureza no seu estado mais puro, intocada e ainda por ser descoberta.

Com recurso à mais recente tecnologia digital, foi possível replicar todos os detalhes da madeira, dos tons mais claros aos mais escuros, com a vantagem de um produto duradouro e de fácil manutenção.

Falta-nos ainda adicionar o puro aroma da madeira... Isso, seria fantástico.

PARQUET
INSPIRATIONS

We step back in time to be inspired by the vintage look of the wooden parquet that we used to see in our grandmother's houses. To the best vintage look, we added the best porcelain stoneware with the finest touch and soft colors.

The result is the combination of sobriety with a piece of nostalgia, that creates classic and timeless spaces.

Recuamos no tempo para nos inspirarmos no aspecto vintage do parquet de madeira que costumávamos ver nas casas das nossas avós. Ao melhor visual vintage, adicionamos o melhor grés porcelânico, com um toque refinado e cores suaves.

O resultado final é uma combinação de sobriedade com um pedaço de nostalgia, que concebe espaços clássicos e intemporais.

MONTANA INS·PIRATIONS

Montana is a close relationship with space. Defined by softness and delicacy, Montana is formed by pieces of a unique touch with colors essentially inspired in the dry plains of the low mountains, where the wildlife remains untouched. Its spectrum changes between the tones of a long winter and the temperatures of a dry summer.

Montana é uma relação estreita com o espaço. Definida pela suavidade e delicadeza, esta coleção é formada por peças de toque único e cores inspiradas nas planícies secas das montanhas baixas, onde a vida selvagem permanece intocada. O seu espectro varia entre os tons de um longo inverno e as temperaturas de um verão seco.

INWOOD INSPIRATIONS

Inwood stands out as a noble piece of art from nature, with a symphony of veins, knots, and a wavy soft touch. From time to time nature has these peculiar moments, like some people do to create a masterpiece.

Inwood destaca-se como uma nobre obra de arte da natureza, uma sinfonia de veios e nós e um toque suave ondulado. A natureza tem esses momentos peculiares de tempos em tempos, tal como algumas pessoas ter conseguem para poder criar uma obra-prima.

INS·PIRATIONS

Hydraulic ceramic tiles were once called encaustic tiles in the Victorian era and originally called inlaid tiles during the medieval period. By that time, the surface was not glazed but finished with different colors of clay. We reinvented this current, inspired in those days with the latest modern technology to extend this old trend in a new one, reviving the old days in new wonderful environments.

A cerâmica hidráulica já foi chamada de ladrilhos de cerâmica na era vitoriana e originalmente chamado de cerâmica incrustada durante o período medieval, até então a superfície não era esmaltada, mas acabada com diferentes cores de argilas. Reinventamos esta corrente com a mais recente tecnologia moderna, inspirada naqueles tempos, e estendemos esta velha tendência numa nova, revivendo os velhos tempos em novos maravilhosos espaços.

MYRIAD INS·PIRATIONS

Myriad is a superb, vintage-looking hydraulic, worn and unstrung, it's like a little bit of history was kept. Its main feature is an infinity of tons and its harmonious connection. It's a piece of time, a capsule of memories.

Myriad é um soberbo hidráulico de aspecto vintage, gasto e destonificado, como se um pouco da História guardasse. A sua principal característica é a "infinitude" de tons e a sua harmoniosa ligação. É um pedaço de tempo, uma cápsula de memórias.

ARDÓSIA
INSPIRATIONS

Ardósia is the original translation of slate stone: fine-grained, foliated, homogeneous metamorphic rock with a rustic look, presented here in two neutral colors, plain white and volcanic black.

In the past, slate stones were used in house roofing because of its non-water absorption characteristics, today, it's an obvious choice for the floors due to its technical features and for the walls due to its natural stone touch.

Ardósia é a tradução original da pedra de ardósia: metamórficas, homogénea, fina, foliada e granulada com um aspeto rústico, disponível aqui em duas cores neutras, branco liso e preto vulcânico. No passado, as pedras de ardósia foram utilizadas em coberturas de casas pelas suas características de não absorção de água. Nos dias de hoje, é uma escolha óbvia para pavimento, pelos seus atributos técnicos e para revestimento, pelo seu toque natural de pedra.

VILLAS INS·PIRATIONS

Villas was one of our creations inspired in the old trading houses such as grocery stores, barbershops, and even the old cafeterias, characterized by the old worn floors due to constant washings. Its classic vintage look makes us go back in time and live those happy childhood days. In addition to the original colors, we added three more colors in an extended version, increasing the choice for the good old days.

Villas foi uma das nossas criações inspiradas nas velhas casas de comércio, como as mercearias, barbearias e mesmo as antigas cafeterias, caracterizadas pelo chão gasto pelas consecutivas lavagens. O seu aspecto clássico "vintage" faz-nos recuar no tempo e viver aqueles dias felizes de infância. Adicionamos às duas cores originais mais cores, numa versão "extended" ampliando a escolha pelos bons velhos tempos.

FLUX INS·PIRATIONS

The Flux Collection was created as an abstract approach to the movement of things, for that, we designed random flows of infinity tones with no defined path as if depended on gravity to move. This essay we call it Flux and is available in a superb porcelain tile for the floor and in a fabulous version for cladding with a unique touch.

A Coleção Flux foi criada como uma abordagem abstrata ao movimento das coisas, para isso, desenhamos fluxos aleatórios de uma infinidade de tonalidades sem sentido definido, como se da gravidade dependessem para se movimentar. A este ensaio chamamos de Flux e está disponível num soberbo porcelânico para o chão e numa versão de revestimento com um toque sem igual.

Esta coleção é uma reinterpretação de um modo de vida étnico do antigo povo pré-colombiano, os Mixtec. Este povo era uma das principais civilizações da Mesoamérica e traduzimos o seu legado nesta coleção fascinante, de efeito lavado e decorações únicas.

CLASSIC INS·PIRATIONS

Inspiration leads us to blend elements, and sometimes the “magic” is done, and the spot we look for is found.

In this collection, we blended a soft, exotic marble with classic travertine, and the outcome couldn't be better. Of soft tones, Classic is perfect wherever you live.

A inspiração leva-nos por vezes a misturar elementos e às vezes faz-se “magia”, e o ponto que procurávamos é encontrado

Nesta coleção, combinamos um mármore macio e exótico com travertino clássico, resultando não poderia ser melhor. De tons suaves, o Classic é perfeito onde quer que você more.

URBAN-CHIC INS·PIRATIONS

Urban-Chic is an elegant collection of delicate design, composed of 4 city-inspired motifs. It is a discreet, slightly tactile collection that brings together some of the textures present in everyday life. From the leaves of the trees in the city streets to the textures of the fabrics, from the windows in distant buildings looking like small dots to the waves caused by the ships in the portuary zone.

Urban-Chic é uma coleção elegante de design delicado, composta por 4 motivos contemporâneos de inspiração cidadina. É uma coleção discreta, levemente táctil, que reúne algumas das texturas presentes no dia-a-dia. Desde as folhas das árvores nas ruas da cidade, às texturas do vestuário, das janelas dos edifícios distantes que não são mais do que pequenos pontos, às ondas provocadas pelos navios na zona portuária.

DOMUS INSPIRATIONS

Inspired by the historical path of the word Domus, from the Roman Empire to modern English, Domus has always been referred to as something related to housing, home, or something domestic. This collection was created to return to this original concept, to transform any space and make you feel at home. We created a classic, slightly aged-looking wall tile, traditional as old stone, and we finished the creative process with delicate random sparkles to give each room a unique touch of light.

Inspirados no percurso histórico da palavra Domus, desde o Império Romano ao inglês moderno, Domus sempre remeteu para algo relacionado com habitação, casa ou algo doméstico. Esta coleção foi criada com o intuito de devolver este conceito original e transformar cada espaço para que nos sentíssemos em casa. Criamos um revestimento clássico de aspeto ligeiramente envelhecido, tradicional como a antiga pedra e finalizamos o processo criativo com delicados brilhos, aleatórios, para dar um toque único de luz a cada espaço.

DIAMOND INSPIRATIONS

Diamond is a wall tile off a three-dimensional effect with a soft touch, produced in two classic colors: black and white.

Due to its carefully developed diamond-shaped reliefs, different reflections and light tones are formed, whether if it's day or night. The lightroom is never the same or constant, spaces renewed every minute.

Diamond é um revestimento tridimensional, de toque suave, produzido em duas cores clássicas, o preto e o branco. Devido ao seu relevo cuidadosamente desenvolvido em forma de diamante, produz diferentes reflexos e intensidades de luz, independentemente de ser dia ou noite. A reflexão nunca é a mesma nem constante, os espaços renovam-se a cada minuto.

PRISMA INS·PIRATIONS

Prisma is one of those collections designed with passion, a little nostalgia, and a touch of magic. It's a vintage-inspired, bas-relief wall tile with ten colors carefully selected. The bas-relief tiles have wonderful shinings details only visible at certain angles, we like to call it the magical angle that turns what is beautiful into something fantastic.

Prisma é uma daquelas coleções desenhadas com paixão, um pouco de nostalgia e um toque de magia. É um revestimento de inspiração vintage, em baixo relevo e com uma paleta de dez cores cuidadosamente escolhida. As peças de baixo relevo têm deliciosos detalhes brilhantes apenas visíveis em determinados ângulos, nós chamamos-lhe o ângulo mágico - que transforma o que é belo em algo absolutamente fantástico.

FUSION INS·PIRATIONS

Fusion is a delicate process of joining two or more distinct things together to form a single entity. That's exactly what we did with this collection, we created a micro-relief inspired by the mesh of metal wire, fused with the best white body cladding, and added the right amount of shine. When you combine some elements in the right proportions, you get unique products. In this case, Fusion.

A Fusão é um processo delicado em que se combinam duas ou mais entidades distintas formando uma nova. Foi exactamente isso que fizemos com esta série, criamos um micro-relevo inspirado na trama das redes metálicas, fundimos com o melhor revestimento em pasta branca e adicionamos estrategicamente a quantidade certa de brilho. Quando se combinam elementos nas proporções certas, obtêm-se produtos únicos. Neste caso, o Fusion.

CIPRESTE INS·PIRATIONS

From all collections, Cipreste is one of the purest and most elemental. Completely smooth and composed of soft colors, contrasted only by matt and glossy finishes, this collection easily coexists with any natural element enhancing its qualities. Cipreste was designed to be simple, nevertheless, we added two fabulous reliefs to enhance its aesthetic beauty.

De todas as coleções, Cipreste é das mais puras e elementares, completamente lisa é composta por cores de tez suave contrastado apenas pelos acabamentos mate e brilho. Convive facilmente com qualquer elemento natural, realçando as suas qualidades. Cipreste foi desenhada para ser simples. PLATINIUM INS·PIRATIONS

Platinum is an uncomplicated way of being, a collection of two formats where the variation between matt and brightness grants an almost translucent look. Presented only in white color, it can be combined with any material, whether wood for warmer environments or cement for sophisticated places. Inspired in those morning fogs, it's a "must-have" in any home.

Platinum é uma forma de estar descomplicada, uma série de dois formatos onde a variação entre o mate e o brilho lhe confere um aspecto quase translúcido. Apresentado apenas na cor branca, pode ser conjugada com qualquer material, seja ele madeira para ambientes mais quentes ou cimento para ambientes mais sofisticados. Inspirado naquelas manhãs de nevoeiro, é essencial em qualquer residência.

RETRO INS·PIRATIONS

Retro is a dual personality collection due to its colors, while it's fun and carefree, it also has a classic and sober preference. However, both trends have in common the carefully chosen graphic details of a worn look and soft touch followed by distinctive decors that give a personal touch.

Retro é uma coleção de dupla personalidade devido às suas cores. Se por um lado é divertida e despreocupada, por outro tem uma inclinação clássica e sóbria. No entanto, ambas as tendências têm em comum os detalhes gráficos cuidadosamente escolhidos, de aspecto gasto e toque suave, acompanhados por distintas decorações que permitem dar um toque pessoal.

LISBOA INS·PIRATIONS

Inspired by the two of the most well-known neighborhoods of our Lisbon: Alfama and Bairro Alto. We were driven by the diverse and peculiar architecture of these two neighborhoods. We created a smooth cladding like Alfama's multi-colored painted houses and a softly textured cladding reminiscent of the exclusive tilework from the old times of Bairro Alto. In this collection, just the tram is missing to be perfect...

A pensar nos dois dos bairros mais conhecidos da nossa Lisboa: Alfama e Bairro Alto. Fomos inspirados pela arquitetura diversa e peculiar destes dois bairros. Criamos um revestimento liso como as casas multicores pintadas de Alfama e um revestimento suavemente texturado a recordar a fina azulejaria dos tempos antigos do Bairro Alto. Para ser perfeito nesta coleção, apenas fica a faltar o eléctrico...

JUICY INSPIRATIONS

Creating the Juicy collection was like taking a field trip or spending the day at an amusement park, it's a carefree, cheerful collection that turns every environment into a playground. We stay surrendered to color, graphic motifs, we mix colors, we laugh, in the middle, we cry and in this mix of emotions, we create one of the most beautiful collections of joy and well-being.

Criar a coleção Juicy foi como dar um passeio no campo ou passar o dia num parque de diversões, é uma coleção despreocupada, alegre, que transforma cada ambiente num recreio. Ficamos rendidos à cor, aos motivos gráficos, nós misturamos as cores, sorrimos, choramos pelo meio e neste misto de emoções criamos uma das mais belas coleções de alegria e bem-estar.

We wanted to create a tribute to the groups of people who identify with each other, but we went even further, we created something that linked these groups of people, so we designed a global collection. SHADES INSPIRATIONS

Shadow is the absence of light which is the dark area or shape produced by a body coming between rays of light and a surface. After intense tests of light incidence, we designed several refined reliefs with a soft touch. In the end, we got what we like to call an interactive wall tile, that lives with the daylight and rests at night.

Sombra é a ausência de luz, ou então a área ou forma escura produzida por um corpo vindo entre os raios de luz e uma superfície. Após intensos testes de incidência de luz, desenhamos diversos relevos refinados de toque macio, no final, conseguimos o que gostamos de chamar revestimento interativo, que convive com a luz do dia e descansa à noite.

CLEANING AND MAINTENANCE - FLOOR TILES
NETTOYAGE ET ENTRETIEN - REVÊTEMENT DES SOLS
LIMPEZA E MANUTENÇÃO - PAVIMENTOS

AFTER LAYING THE TILES AND GROUTING IT IS OF OUTMOST IMPORTANCE TO PERFORM THE FINAL CLEANING PROCEDURES IN ORDER TO ELIMINATE ANY REMAINING RESIDUES (CEMENT, GROUT, GLUE, PAINT) AND ALSO ANY OTHER POSSIBLE SUPERFICIAL RESIDUES. IT IS RECOMMENDED THAT, IMMEDIATELY AFTER THE GROUT DRY, THE TILE FIXER SHOULD WIPE THE EXCESS WITH A WET CLOTH (ALWAYS FOLLOWING THE MANUFACTURER'S INSTRUCTIONS). MOST OF THE NOTICED PROBLEMS, ONCE THE LAYING WORKS ARE COMPLETE, ARE DUE TO INEFFICIENT / NON EXISTING CLEANING PROCEDURES - FOR THIS TYPE CLEANING PROCEDURES WE RECOMMEND AN ACID BASED DETERGENT, ON THE DAILY CLEANING PROCEDURES WE RECOMMENDED THE USE OF A NEUTRAL DETERGENT. FOR SPECIFIC CLEANING, KINDLY CHECK THE CHART:

APRÈS POSE ET JOINTEMENT DES CARREAUX, IL EST EXTRÊMEMENT IMPORTANT D'EFFECTUER LES OPÉRATIONS DE NETTOYAGE DE FIN DE CHANTIER AFIN D'ÉLIMINER TOUS RÉSIDUS (CIMENT, JOINT, COLLES ET PEINTURES), MÊME SUPERFICIELS, DE LA MISE EN ŒUVRE. IL EST CONSEILLÉ QUE, IMMÉDIATEMENT APRÈS LE SÈCHAGE DU JOINT, QUE LE SURPLUS DES PRODUITS SOIENT RETIRÉS À L'AIDE D'UN TORCHON HUMIDE (EN SUIVANT TOUJOURS LES INDICATIONS DU FABRICANT). LA PLUPART DES PROBLÈMES QUI SURGISSENT APRÈS LA FIN DU CHANTIER SONT DU À UN MAUVAIS VOIR INEXISTANT NETTOYAGE APRÈS APPLICATION - POUR CE NETTOYAGE NOUS RECOMMANDONS UN DÉSINCRUSTANT À BASE D'ACIDE; POUR LE NETTOYAGE QUOTIDIEN DU MATÉRIEL NOUS RECOMMANDONS L'UTILISATION DE NETTOYANT NEUTRE ET POUR LES TACHES PLUS SPÉCIFIQUE VOIR TABLEAU CI-DESSOUS:

APÓS A APLICAÇÃO DOS MOSAICOS E RESPECTIVA JUNTA É DE EXTREMA IMPORTÂNCIA EFECTUAR AS OPERAÇÕES DE LIMPEZA DE OBRA, DE FORMA A ELIMINAR OS RESÍDUOS DE APLICAÇÃO (CIMENTOS, COLAS, JUNTAS, TINTAS) BEM COMO POSSÍVEIS RESÍDUOS SUPERFICIAIS DO MATERIAL. RECOMENDA-SE QUE, IMEDIATAMENTE APÓS A JUNTA SECAR, SE LIMPE OS EXCESSOS DESTES PRODUTOS COM UM PANO HUMEDECIDO (SEGUINDO SEMPRE AS INDICAÇÕES DO FABRICANTE). A MAIORIA DOS PROBLEMAS MANIFESTADOS APÓS A OBRA DEVE-SE A UMA MÁ E POR VEZES INEXISTENTE LIMPEZA APÓS A APLICAÇÃO - PARA ESTE TIPO DE LIMPEZA RECOMENDAMOS UM DESINCRUSTANTE DE BASE ÁCIDA; NA LIMPEZA QUOTIDIANA DO MATERIAL RECOMENDAMOS A UTILIZAÇÃO DE DETERGENTE NEUTRO E NA LIMPEZA DE MANCHAS ESPECÍFICAS, CONSULTAR A TABELA:

. THE AIR GAP CREATED BY THE SYSTEM OF VENTILATED FACADES IMPROVES CONSIDERABLY THE INSULATION:
 - THERMAL (REDUCTION OF ENERGETIC COST UP TO 35%);
 - ATMOSPHERIC (AVOIDS THE CONDENSATION OF MOISTURE);
 - SOUND (REDUCES UP TO 20% THE ENTRY OF OUTER NOISE).

. LE CAISSON D'AIR CRÉÉ PAR LE SYSTÈME DE FAÇADE VENTILÉ, AMÉLIORE CONSIDÉRABLEMENT L'ISOLEMENT:
 - THERMIQUE (BAISSE DU COÛT D'ÉNERGIE JUSQU'À 35%);
 - ATMOSPHÉRIQUE (ÉVITE LA CONDENSATION D'EAU);
 - ACOUSTIQUE (RÉDUIT JUSQU'À 20% L'ENTRÉE DES BRUITS EXTÉRIEURS)

. A CAIXA DE AR CRIADA PELO SISTEMA DE FACHADA VENTILADA MELHORA CONSIDERAVELMENTE O ISOLAMENTO:
 - TÉRMICO (REDUÇÃO DO CUSTO ENERGÉTICO ATÉ 35%);
 - ATMOSFÉRICO (EVITA A CONDENSAÇÃO DE ÁGUA);
 - ACÚSTICO (REDUZ ATÉ 20% A ENTRADA DE RUIDO DO EXTERIOR).

INVISIBLE HOOKING
 FIXATION OCCULTE
 FIXAÇÃO OCULTA

MECHANICAL HOOKING SYSTEM OR MIX RESULTING OF A DOUBLE STRUCTURE THAT HOOKS THE TILES THROUGH COMPRESSION (PRESSURE CONTROLLED ON THE HOOKING AREA) OVER THE DRILLED AREA; AVOIDS THE RISK OF BREAKING ON THE HOOKING AREA ALLOWING A HIGHER SAFETY.

SYSTÈME DE FIXATION MÉCANIQUE OU MIXTE RÉSULTANT DE L'UTILISATION D'UNE STRUCTURE DOUBLE QUI FIXE LES PIÈCES DE GRÈS À TRAVERS D'UNE ACTION DE COMPRESSION (PRESSION CONTRÔLÉE DANS LA ZONE DE FIXATION) EXERCÉ SUR LA ZONE PERFORÉE; ÉVITE LE RISQUE DE RUPTURE DANS LES ZONES DE FIXATION PERMETTANT UNE MEILLEURE SÉCURITÉ DE LA FAÇADE.

SISTEMA DE FIXAÇÃO MECÂNICA OU MISTA RESULTANTE DA UTILIZAÇÃO DE UMA ESTRUTURA DUPLA QUE FIXA AS PEÇAS DE GRÈS ATRAVÉS DE UMA ACÇÃO DE COMPRESSÃO (PRESSÃO CONTROLADA NA ZONA DE FIXAÇÃO) EXERCIDA SOBRE A ZONA PERFURADA; EVITA O RISCO DE RUPTURA NAS ZONAS DE FIXAÇÃO PERMITINDO UMA MAIOR SEGURANÇA DA FACHADA.

SEMI-INVISIBLE HOOKING
 FIXATION SEMI-OCULTE
 FIXAÇÃO SEMI-OCULTA

HOOKING SYSTEM RESULTING OF THE USE OF BRACKETS OVER THE CORNERS OF TILES, ALLOWING THE HOOKING TO BECOME QUICK AND EASY TO INSTALL, WITHOUT THE NEED TO USE MECHANICAL RESOURCES.

SYSTÈME DE FIXATION RÉSULTANT DE L'UTILISATION DE CROCHETS SUR LES BORDS DES PIÈCES DE GRÈS, PERMETTANT SA RÉTENTION ET LEUR MAINTIENT; RAPIDE ET FACILE À INSTALLER, SANS NÉCESSITÉ DE RECOURIR À DES PROCESSUS MÉCANIQUES.

SISTEMA DE FIXAÇÃO RESULTANTE DA UTILIZAÇÃO DE GRAMPOS SOBRE OS CANTOS DAS PEÇAS DE GRÈS, PERMITINDO A SUA RETENÇÃO E SUSTENTAÇÃO; RÁPIDO E FÁCIL DE INSTALAR, SEM NECESSIDADE DE RECORRER A PROCESSOS MECÂNICOS.
