PARQUET INS·PIRATIONS

Inspired by the vintage look of parquet, with the best porcelain tiles we recreate the classic designs of a highly skilled manual art. The end result is a combination of sobriety with a hint of nostalgia, that creates classic and timeless spaces.

Inspirado no look vintage do parquet, com o melhor porcelânico recriamos as melhores madeiras com os clássicos desenhos de uma arte manual de elevada destreza. O resultado final é uma combinação de sobriedade com um pedaço de nostalgia, que concebe espaços clássicos e intemporais.
